PASSIONE INOSSIDABILE

STAINLESS PASSION

FRA, una rubinetteria nuova con una storia tutta da scrivere, insieme

Una rubinetteria la cui produzione è interamente in acciaio inox 316, materiale le cui caratteristiche, unitamente alla produzione interna, consentono un alto grado di personalizzazione.

FRA, a new faucet with a story to write, together

A faucet with elements entirely made of 316 stainless steel, material whose characteristics, together with the internal production, allow a high degree of customization.
